COMPANY OVERVIEW

Haverhill Taxi is a proven provider of safe, compliant, and reliable student and passenger transportation services across the Commonwealth of Massachusetts. With over 11 years of combined industry experience, our team delivers responsive transportation solutions for school districts, private institutions, and government agencies. We specialize in managing complex routing environments, urgent transportation needs, and regulatory-sensitive operations while maintaining consistent on-time performance and high safety standards.

PAST PERFORMANCE

Haverhill Taxi has successfully supported transportation contracts and service delivery for:

• Public School Districts:

Amesbury | Lowell | Lawrence | Haverhill | Chelmsford | Boston | Peabody | North Andover | Andover | Lynn | Salem | Framingham | Worcester | Methuen | Beverly | Stoneham

• Private Institutions: Whittier Technical High School

• Government & Regional Agencies:

- MassHealth
- Greater Attleboro Taunton Regional Transit Authority (GATRA)
- Montachusett Regional Transit Authority (MART)

Scope expansions have included special education routes, after-school transport, late runs, emergency coverage, and time-sensitive medical routing.

DIFFERENTIATORS

- Immediate to 30-minute response capability for urgent transportation needs
- Proven ability to mobilize backup drivers and vehicles rapidly
- Advanced route planning and real-time tracking methods
- Strong regulatory knowledge of Massachusetts 7D and DOT safety standards
- Demonstrated success managing high-volume route requirements
- Recognized as a preferred or sole provider by multiple districts and agencies
- Consistent improvements in on-time performance, route reliability, and safety compliance
- Trusted provider capable of supporting complex transportation environments
